

Dear Mr Chilot I am writting you for a judgment call or what ever  
me . He Declined to do so on the grounds that it was not properly discribed

I asked Alvin to write my claims for

I think it is very well discribed in the abstract and my attempted claims He told me to get a patent attorney,I replied I couldn't afford the \$1500 fee they ask for writting a claims. This is one reason the law allows the patent office to assist the inventor in writting the claims the way I see it . another reason is the language used in writting the claims . If you can help me in some way I would certonly appricate you efforts ,

Sincerely yours
